

European Symposium on Chemistry

ESOC 2025

30. June – 3. July

Invitation to Sponsorship & Exhibition

Copenhagen, Denmark

Welcome to Copenhagen!

Dear Colleagues,

We are delighted to extend a warm invitation to you for the European Symposium on Organic Chemistry 2025 (ESOC), set to take place in the picturesque city of Copenhagen. This will be the first occasion in the symposium's distinguished 45-year history that we gather in Denmark, and we could not be more excited to share the beauty and charm of Denmark's capital with you. The summers here are simply enchanting, and the long, luminous evenings are nothing short of magical.

Our conference aims to bring together scientists and students from across all disciplines in organic chemistry with an interest in sharing the latest advancements and research. We are committed to fostering an environment of learning and collaboration, where you can:

- Discover cutting-edge research findings
- Explore the newest laboratory equipment and technologies
- Network with scientist from academia and industry from all over world.

Copenhagen has been celebrated as the 'most livable' city by the Monocle survey for two consecutive years, 2021 and 2022, offering an ideal backdrop for our gathering. The city's vibrant culture, rich history, and modern amenities will provide an inspiring setting for our conference activities.

We look forward to your participation and to collectively advancing the field of chemistry while enjoying the unique Nordic hospitality. Let us come together to shape the future of organic chemistry and build lasting connections.

Why Should You Support the ESOC 2025 Congress?

BRANDING:

It provides your business with unique marketing possibilities through the ESOC 2025 website, emails, newsletters, invitations, brochures, banners and merchandise before and during the congress.

NETWORKING:

It provides your business with ideal conditions for networking by creating informal spaces – in between sessions and at receptions, breaks and cultural events where you can meet e.g. with potential clients or decision makers within ESOC delegates.

DISPLAYING YOUR PRODUCTS OR SERVICES:

An exhibition stand at the congress increases the visibility of your business and offers an easy way to make potential clients come to you. All exhibition stands will be placed near the catering locations, common facilities and joint events to ensure the highest possible visibility and accessibility

Warm regards,
